

OSOBNJE INFORMACIJE

Asim Ibrahimagić

 Olimpijska 22, 71000 Sarajevo, BiH

  00387 61 487 200

 ake.organska@gmail.com

Gender Male /Date of Birth 11.11.1955. /Citizenship Bosnia and Herzegovina, Canada

WORKPLACE

Associate professor in the subjects General and Inorganic Chemistry, Organic Chemistry 1, Organic Chemistry 2.

PROFESSION

Doctor of Technical Sciences in the field of geotechnology

WORK EXPERIENCE

2003 - 2020	Assistant Director for International Relations and Domestic Labor Market Agency for Labor and Employment of Bosnia and Herzegovina
2001 - 2003	Head of the Employment Service Abroad Agency for Labor and Employment of Bosnia and Herzegovina
1999 - 2001	Director of the Austrian trading company BEHA – GRIMEX-a u BiH , Grimex International Wiena – Austrija
1998 - 1999	Deputy General Director Igmin komerc doo Tuzla
1997 - 1997	Quality control engineer Taro Pharmaceutical Inc. Toronto, Canada
1992 - 1994	Chemistry teacher Bosnian Gymnasium Piran, Slovenia
1987 - 1992	Vice President of the Management Board for the field of production, development, and investments of SP 'IGMIN' Tuzla – United Industry for the production of ceramics, construction materials, and non-metals at the level of BiH.
1985 -1987	President of the Management Board of SOUR 'KINBIH' Sarajevo, an integrated ceramics and non-metals industry of Bosnia and Herzegovina.
1984 - 1985	Vice President of the Management Board for the areas of production, development and investments SOUR "KINBIH" Sarajevo - Joined Ceramic Non-Metallic Industry of Bosnia and Herzegovina
1981 - 1984	Research Assistant Institute for Ergonomics Sarajevo, Occupational Safety and Environmental Protection
1978 - 1981	Chief Engineer of Facilities Energoinvest, Process Automation Energoinvest, Sarajevo

EDUCATION AND TRAINING

2019.	He was appointed as an Associate Professor for the subjects Quality Control and Chemical Reactors. By the decision of the Senate of the University of Zenica number: 01-02-1-919/19 dated 27.02.2019, he was elected to the scientific - teaching title of Associate Professor for the subjects: Product Quality Control and Chemical Reactors at the Faculty of Metallurgy and Technology in Zenica.
2018.	He was appointed to the position of Associate Professor for the subjects: General and Inorganic Chemistry, Organic Chemistry 1, and Organic Chemistry 2. By the decision of the Senate of the 'University in Travnik' at the 'Pharmaceutical Health Faculty' in Travnik.
2014.	Reappointed to the position of Assistant Professor for the subjects Chemical Reactors and Quality Control of

- Products. By the decision of the Senate of the University of Zenica number: 01-108-304-0335/14 dated 29.01.2014, reappointed to the position of assistant professor for the teaching subjects: Chemical Reactors and Quality Control of Products at the Faculty of Metallurgy and Materials in Zenica.
- 2009. Re-elected to the position of Assistant Professor for the subjects of Chemical Reactors and Quality Control of Products at the Faculty of Metallurgy and Materials in Zenica.
 - 2006. He obtained the title of Doctor of Technical Sciences in the field of geotechnology. He received his doctorate at the University of Tuzla at the Faculty of Mining, Geology, and Civil Engineering in Tuzla.
 - 2004. He passed the Professional - Administrative exam for working in administrative bodies.
 - 2000. Professional internship in economic management, USA - BOSNIA BUSINESS EXCHANGE, Ohio, Cleveland, American Government Program.
 - 1999. Maribor - Business Management Education, Government of the Republic of Slovenia Program, University of Maribor, Faculty of Economics in Maribor.
 - 1984. Obtained the title of Master of Science in the field of chemical engineering from the University of Zagreb, Republic of Croatia, Diploma recognized at the University of Toronto, Canada in 1995.
 - 1977. Obtained the title of Bachelor Engineer of Chemical Technology from the University of Tuzla, Faculty of Technology in Tuzla, Degree recognized at the University of Toronto, Canada in 1995.

ADDITIONAL INFORMATION

SCIENTIFIC AND PROFESSIONAL PUBLISHED WORKS

1. Physical - chemical testing of raw materials in the production of primrose syrup Herbifit "Pharmamed" Travnik
Asim Ibrahimagić, Jasminka Asotić, Nura Bazdulj, Minela Hukić University of Travnik, Pharmaceutical - Health Faculty, Travnik, Bosnia and Herzegovina "Vox Scientiae Pharm - Health", Journal of the Pharmaceutical Health Faculty of the University of Travnik, Year 11 - Number 3 - 2023. ISSN 2303-4424, e-ISSN. 2303-55361.
2. Quality control of primrose syrup Herbifit "Pharmamed", Travnik Asim Ibrahimagić, Jasminka Asotić, Nura Bazdulj, Minela Hukić, Lamija Topoljak University of Travnik, Faculty of Pharmaceutical and Health Sciences, Travnik, Bosnia and Herzegovina "Vox Scientiae Pharm – Health", Journal of the Faculty of Pharmaceutical and Health Sciences, University of Travnik, Year 11 – Issue 3 - 2023. ISSN 2303-4424, e-ISSN 2303-55361.
3. Quality control of the physical-chemical characteristics of anise essential oil, thyme tincture, primrose extract, and menthol in the production of Herbifit primrose syrup at the company "Pharmamed" d.o.o. Travnik Asim Ibrahimagić, Jasminka Asotić, Nura Bazdulj, Minela Hukić, Lamija Topoljak University of Travnik, Faculty of Pharmaceutical and Health Sciences, Travnik, Bosnia and Herzegovina "Vox Scientiae Pharm – Health", Journal of the Faculty of Pharmaceutical and Health Sciences of the University of Travnik, Year 12 - Number 1 - 2024. ISSN 2303-4424, e-ISSN 2303-55361.
4. Quality control of bakery products
Asim Ibrahimagić^{1,2}, Amir Ibrahimagić¹, Mebrura Tutun¹, Ajla Osmančević¹, Minela Hukić^{1,2} ¹University of Zenica, Faculty of Metallurgy and Technology in Zenica, Bosnia and Herzegovina ²University of Travnik, Faculty of Pharmacy and Health, Travnik, Bosnia and Herzegovina "Vox Scientiae Pharm – Health" Journal of the Faculty of Pharmacy and Health of the University of Travnik, Year 12 – Issue 1- 2024. ISSN 2303-4424, e-ISSN 2303-5536.
5. Quality control of grains and milling products
Asim Ibrahimagić^{1,2}, Amir Ibrahimagić¹, Mebrura Tutun¹, Ajla Osmančević¹, Minela Hukić^{1,2} ¹University of Zenica, Faculty of Metallurgy and Technology in Zenica, Bosnia and Herzegovina ²University of Travnik, Faculty of Pharmacy and Health, Travnik, Bosnia and Herzegovina "Vox Scientiae Pharm – Health", Journal of the Faculty of Pharmacy and Health at the University of Travnik, Year 12 – Number 1- 2024. ISSN 2303-4424, e-ISSN 2303-55361.
6. Control of drinking water
Doc.dr.sc.Asim Ibrahimagić, Amina Valentić,
University of Zenica, Metallurgy – Technology Faculty in Zenica, Bosnia and Herzegovina
XII Scientific/Technical Symposium with International Participation
METALLIC AND NON-METALLIC MATERIALS, BiH, Vlašić, 19-20 APRIL 2018.
7. Preliminary analysis of air quality in Zenica from the perspective of volatile organic compound content
Prof. Dr. Farzet Bikić, Assoc. Prof. Dr. Asim Ibrahimagić, Hasnija Berbić, BSc. Chem. Eng., MSc. Halim Prcanović XI Scientific/Professional Symposium with International Participation "METALLIC AND NON - METALLIC MATERIALS" Zenica, Bosnia and Herzegovina, April 21-22, 2016.
8. Ecological advantages of using technogenic waste materials in cement industry
Ilhan Bušatlić, Asim Ibrahimagić, Nadira Bušatlić, Azra Smajić, University of Zenica;

Faculty of Metallurgy and Materials, Bosnia and Herzegovina 4th International Symposium on Environmental and material Flow Management – EMFM14 31st October – 2nd November 2014, Bor, Lake, Serbia

9. "Quality Control Management and ISO 9001 System"

Asim Ibrahimagić 2nd International Symposium, Challenges of the Financial-Accounting and Managerial Profession in Bosnia and Herzegovina - Opportunities and Limitations, Fojnica, April 25-26, 2014, Published in the Proceedings, Publisher, FINCONSULT - Educational Consulting House from Tuzla. The papers from this 2nd International Symposium have been published in the two largest global databases of academic journals and publications, as well as scientific and professional papers of EBSCO Publishing, Business Source Corporate Business Source Complete.

10. The influence of calcium fly ash addition on the hydration heat of portland cement

Prof. dr. sc. Ilhan Bušatlić, Doc. dr. sc. Asim Ibrahimagić, V.a. mr. sc. Nevzet Merdić, V.a. mr. sc. Nadira Bušatlić, As. Azra Smajić, dipl. ing. hem. University of Zenica, Faculty of Metallurgy and Materials X Scientific/Professional Symposium with International Participation "METALLIC AND NON-METALLIC MATERIALS" Bugojno, Bosnia and Herzegovina, April 24-25, 2014.

11. Significance of elements of the s,p and d block in living organisms

Asim Ibrahimagić¹, Minela Šišić¹, Samra Kulić¹, Nihad Kamenjaković²

1. University of Travnik, Faculty of Pharmaceutical and Health Sciences, Travnik, Bosnia and Herzegovina

2. Public Institution Mixed Secondary School "Mladost" Zenica, Zenica, Bosnia and Herzegovina

"Vox Scientiae Pharm – Health", Journal of the Faculty of Pharmaceutical and Health Sciences at the University of Travnik, Year 3 – Issue 2-2015. ISSN 2303-4424, e-ISSN 2303-5536

12. Investigation of the impact of the type and amount of added agent on the process of water coagulation

I. Bušatlić, A. Ibrahimagić, A. Karić, A. Smajić, 8th Research/Expert Conference with International Participation "QUALITY 2013", Neum, Bosnia and Herzegovina, June 06th-08th, 2013; Proceedings printed by: Printing office Fojnica, Fojnica, ISSN 1512-9268.

13. Investigation of the impact of the applied method on the efficiency of water decarbonization

I. Bušatlić, A. Ibrahimagić, A. Karić, A. Smajić, 8th Research/Expert Conference with International Participation "QUALITY 2013", Neum, Bosnia and Herzegovina, June 06th-08th, 2013; Proceedings printed by: Printing office Fojnica, Fojnica, ISSN 1512-9268.

14. Valoration of ultrabasic rocks of serpentinite from the Ozren massif,

A. Ibrahimagić Doctoral dissertation, University of Tuzla, Faculty of Mining, Geology and Civil Engineering, Tuzla, January 2006.

15. Valoration of ultrabasic rocks of the Ozren massif

P. Petrovski, A. Ibrahimagić The Third International Scientific and Expert Symposium, Nonmetal Inorganic Materials, Manufacturing – Processing – Application, Proceedings, Zenica, April 2000. Publishers: Faculty for Metallurgy and Materials Science in Zenica, Printed by: "Dom štampe" – Zenica,

16. Production of chemical bonded refractories on the base on serpentinite

P. Petrovski, M. Žunić, N. Jović, A. Ibrahimagić, The European Ceramic Society Second Conference, Augsburg, October 1991. godine. „Zbornik radova“ Printed by: The European Ceramic Society, Augsburg, October, 1991. godine.

17. Possibilities of obtaining quality talc through magnetic separation of talc from the deposits of B. Petrovo Selo - Ozren massif."

A. Ibrahimagić, P. Petrovski, VII Symposium of Ceramists and Technologists of Yugoslavia, Kupari, April 1991. "Proceedings" Publisher, Keramikaunion, Sava Center, April 1991.

18. Determination of the quality of talc from the locality of Bosansko Petrovo Selo

N. Jović, A. Ibrahimagić, P. Petrovski, VI Symposium of Ceramists of Yugoslavia, Kupari, April 25-27, 1989. "Proceedings" Publisher, Keramikaunion, Sava Center, April, 1989.

19. "Preliminary consideration of the possibilities for saving thermal energy in a ceramic tile factory"

H. Smailhodić, A. Ibrahimagić, S. Bešlagić, N. Jović, VI Symposium of Ceramicists of Yugoslavia, Kupari, April 25-27, 1989. "Proceedings" Publisher, Keramikaunion, Sava Center, April, 1989.

20. "Program of technological development of the construction materials industry, ceramics, and non-metallic mineral raw materials of SOUR IGMIN Tuzla until the year 2000."

N. Jović, V. Glavaš, S. Bešlagić, P. Petrovski, A. Ibrahimagić, H. Smailhodić, Publisher SOUR IGMIN Tuzla, May, 1987.

21. "Possibilities of substituting imported kaolin with production from domestic natural resources in the area of Bosnia and Herzegovina",

A. Ibrahimagić, Consultation organized by the Chamber of Commerce of Bosnia and Herzegovina, Sarajevo, September 1986. "Proceedings", Publisher, Chamber of Commerce of Bosnia and Herzegovina, Sarajevo, September 1986.

22. "Professional papers in the field of man-machine-environment",

R. Mahmutčehajić, E. Hasanagić, F. Sadiković, A. Kapić, A. Ibrahimagić, Institute for Ergonomics Sarajevo, Professional reports, Publisher, Institute for Ergonomics, Sarajevo, 1981 - 1984.

UNIVERSITY BOOKS

1. Collection of tasks from chemical reactors / Asim Ibrahimagić, Dejana Kasapović.

- Sarajevo Association of artists Planet poetry, June 2018. - 116 p. : graphic illustrations ; 30 cm, Bibliography: p. 111.CIP - Cataloging in publication, National and University Library of Bosnia and Herzegovina, Sarajevo 66.09(075.8)(076), ISBN 978-9926-8116-7-9, COBISS.BH-ID 25860358

2. „Practicum in General and Inorganic Chemistry" for Pharmacy and Radiology students /

Asim Ibrahimagić, Minela Kamenjaković. - Travnik: University, Faculty of Pharmaceutical and Health Sciences, 2016. - 137 pages: illustrations; 30 cm ISBN 978-9958-640-65-0, COBISS.BH-ID 23572742

PARTICIPATION IN PROJECTS AND WORKS IN THE FIELD OF EMPLOYMENT AND ENTREPRENEURSHIP

- WAPES - World Association of Public Employment Services, Development of the World Employment Strategy 2018 - 2028. Brussels – Tokyo, Expert representing Southeast Europe

- Project of the Agency for Labor and Employment of Bosnia and Herzegovina "Alignment of the Education System with the Labor Market Needs in BiH, June 2012.

-Team leader from BiH for the Project TAMOP 1.3.1" Support for International Cooperation of Cross-Border Regions of Hungary, Croatia, Bosnia and Herzegovina, and Serbia. The objective of the project is to exchange experiences in employment policy through collaboration between employment agencies of the Western Balkan countries and the EU.

- Project "Building Institutions and Capacity in the Employment Sector in BiH, Europeaid/129452/C/SER/BA", 2011. Member of the Coordinating Committee for the Project "Drafting the Employment Strategy of BiH 2010 - 2014."

- INTERREG IIIA project - subproject SVILMA, Management of Migratory Flows of the Workforce in the Adriatic Region in cooperation with partners from Italy

- CARDS 2006 Project: "Reform of Employment Policies and Establishment of a Labor Market Information System"

.- CARDS 2006 Project: Light Twinning Project "Strengthening the Institutional Capacity of the Agency for Labor and Employment of Bosnia and Herzegovina".

- Project "Strategy for the Integration of Bosnia and Herzegovina into the European Union" Publisher: Council of Ministers of Bosnia and Herzegovina, Directorate for European Integration, July 2006

.- Strategy in the area of labor, employment, and social policy for the revision of the PRSP Mid-Term Development Strategy of Bosnia and Herzegovina (MID-TERM DEVELOPMENT STRATEGY OF BiH 2004-2007), Unit for Economic Planning and Implementation of the Mid-Term Development Strategy EPPU under the Council of Ministers of Bosnia and Herzegovina, 2005-2006.

- Preparation of the monitoring report 'CREPA' Employment Policy in the Republic of Croatia on behalf of the Council of Europe - Stability Pact for Southeast Europe and ILO Office for Southeast Europe, Budapest ILO (International Labour Organization). The report was prepared according to the Guidelines for monitoring national reports on employment policy stemming from the Bucharest Declaration and according to the guide from the European Employment Strategy, July 2006.
- The 'Bucharest Process' project in 2004 implemented by the ILO, Stability Pact for Southeast Europe, and the Council of Europe. - Member of the board of the Project 'Building Institutions and Capacity in the Employment Sector in BiH, Europeaid/ 129452 /C/ SER/BA', 2011.
- Expert member of the working group on the development of the EPPU strategy at the Council of Ministers of Bosnia and Herzegovina, 2005-2006.
- External expert in the field of employment, labor, and social cohesion for the preparation of the document "Strategy for Integrating Bosnia and Herzegovina into the European Union" Publisher: Council of Ministers of Bosnia and Herzegovina, Directorate for European Integration, July 2006.
- Selected in May 2006 as an External Expert for the preparation of the monitoring report "CREPA" on employment policies in the Republic of Croatia on behalf of the Council of Europe - Stability Pact for Southeast Europe and ILO office for Southeast Europe, Budapest, International Labour Organization, arising from the Bucharest Declaration and according to the guide from the European Employment Strategy, July 2006.
- Member of the UNDP Expert Working Group for the development of the Gender Equality document in Bosnia and Herzegovina which was completed in 2005.
- Prepared and referenced an expert report on migratory movements in Bosnia and Herzegovina for a conference organized by UNDP that took place in the Republic of Macedonia, Skopje, May 2005. The report was done according to the Guidelines for monitoring national reports on state employment policy.
- At the request of the OSCE from Bosnia and Herzegovina, prepared and referenced the expert report "Migratory flows in Bosnia and Herzegovina", Kazakhstan, Almaty, January 2005.
- Expert consultant for the WORLD BANK – World Bank office in Sarajevo under contract, for the preparation of a report on the state of the labor market at the level of Bosnia and Herzegovina in a multidisciplinary research project 2001-2002.
- Participated and presented on the state of the labor market, education, employment, and social policy in Bosnia and Herzegovina at international conferences and symposiums held under the auspices of: ILO, Council of Europe, Stability Pact for South Eastern Europe, OSCE, UNDP, WAPES, ETF, WB, and others.

MENTORSHIP AND MEMBERSHIP IN COMMITTEES ON MASTER'S AND DIPLOMA THESIS

- At the Faculty of Metallurgy and Technology in Zenica, and at the Faculty of Pharmacy and Health in Travnik, he was a mentor and commentator on several master's theses as well as a member of the commission for the defense of doctoral dissertations. He was also a mentor on over 70 undergraduate theses at the Faculty of Metallurgy and Technology in Zenica.

LIST OF PUBLISHED WORKS AND BOOKS BY CATEGORIES

- Total number of published papers	22
- Number of university books	2
- Number of scientific papers in proceedings (conferences, symposiums)	7
- Number of professional papers in proceedings (conferences, symposiums)	10
- Number of professional papers in journals	5
- Number of international research projects	7
- Number of domestic research projects	4
- Number of domestic strategies	3
- Number of professional reports	7

EXPERIENCE IN
MANAGEMENT
BODIES

President of Supervisory Board – Energoinvest D.D. Sarajevo From August 2021 to December 2023.
 President of the Supervisory Board of Energoinvest, four-year term on behalf of the Government of the Federation of Bosnia and Herzegovina From January 2020 to August 2021.
 President of the Supervisory Board of Energoinvest term on behalf of the Government of the Federation of Bosnia and Herzegovina From January 2016 to January 2020.
 President of the Supervisory Board of Energoinvest term on behalf of the Government of the Federation of Bosnia and Herzegovina From April 2014 to January 2016.

EXPERIENCE IN THE
FIELD OF ECONOMY
AND INVESTMENTS

- Managed the entire program of production, technological development, and investments in the field of non-metals and construction materials at SOUR „IGMIN“ Tuzla for 24 - Work organizations.
- Managed investment projects for the reconstruction and modernization of production lines for ceramic materials for high temperatures, floor and wall ceramic tiles, utilitarian and decorative ceramics, brick products, kaolinite clays, limestones, quartz sands, and asbestos.
- Led the investment in the transfer of new technology for the construction of a factory for the production of smelting kaolin, liskun, feldspar, and quartz sand using wet separation in Bosanski Kobaš, Municipality of Srbac.
- .- Participated in investments and development programs for new ceramic materials and non-metals in factories: Kaolin – Bratunac, EKK– Prijedor, Steasin – Ljubija, Sanakeram – Sanski Most, Kaolin Mine Motajica – Bosanski Kobaš, Bosnia Asbestos – Bos. Petrovo Selo, Ingram – Srebrenik, Siporex – Tuzla, Marble - Šekovići.
- Researched and presented non-metallic mineral raw materials in the areas of Bosnia and Herzegovina

COOPERATION WITH
INSTITUTIONS
RELEVANT
TO THE PROFESSIONAL
AND SCIENTIFIC FIELD

While working in the economy, he was a member of the Association for Chemistry and Non-Metals, Ceramics, and Construction Materials at the Chamber of Commerce of Bosnia and Herzegovina and the Chamber of Commerce of Yugoslavia until 1992, and a research associate at the 'GIT' Institute in Tuzla.

- 2002 - 2020 - Member of the BiH – USA association "BLINC" for scientific, cultural, and technical cooperation between Bosnia and Herzegovina and the USA
- 2007 – 2013 - External collaborator at the "Institute for Metrology" of Bosnia and Herzegovina
- 1986 – 1992 - Research collaborator at the GIT Institute – Tuzla. 1984 – 1992 - Member of the Association for Chemistry and Non - Metals at PK BIH.
- 1988 – 1992 - Member of the Association for Ceramics and Construction Materials at PK Yugoslavia
