

PERSONAL INFORMATION

PROF DR PRIM FARUK NIŠIĆ, PHD, MD Nahorevska 56, Sarajevofaruk.nisic@gmail.com

Sex Male | Date of birth 22.09.1968. | Nationality BiH

WORK **Head of Hospital and
Ocular Surgery
Department, Eye Clinic,
Sarajevo**
**University Clinical Center
Sarajevo**

TITLE Prof dr Prim Faruk Nišić, PhD, MD**WORK EXPERIENCE**

- Worked as a doctor of medicine from 1997 to 2002 at the "Gerontological Center Sarajevo".
- From 2002 to the present, employed at the Clinic for Eye Diseases of the Clinical Center of the University of Sarajevo.
- In the period from 2002 to 2012, he held the position of Head of the Department for Laser Photocoagulation, Fundus and Photodocumentation,
- from 2012 to 2021, he held the position of Head of the Department for Trauma, Eye Tumors with Operating Rooms,
- from 2019 to 2022, he held the position of Head of the Hospital Department and from 2022 to 2024, Head of the Department of General and Special Ophthalmology with Operating Rooms
- from 08.10.2024. appointed Head of the OJ Clinic for Eye Diseases of the Clinical Center of the University of Sarajevo.

- By the decision of the Teaching and Scientific Council of the Faculty of Medicine, he was elected to the position of associate in practice at the Department of Ophthalmology.
- He participates in teaching for students of the Faculty of Medicine, UNSA, and as a professor he is engaged in teaching for students of the Faculty of Pharmacy and Health, University of Travnik.
- Elected to the position of full professor and head of the department in 2024.

EDUCATION

- • He graduated from the Faculty of Medicine in Sarajevo in 1997. He passed the professional exam after the mandatory medical internship in 1998.
- • He completed the postgraduate study "Public Health" in the period from 1997 to 1999.
- • He successfully defended his master's thesis entitled "The Importance of Early Diagnosis and Laser Photocoagulation of Diabetic Macular Edema through the Evaluation of Visual Acuity and Optical Coherence Tomography Findings" in April 2012 at the Faculty of Medicine, University of Sarajevo.
- • He defended his doctoral dissertation entitled "The Influence of Vascular Endothelial Growth Factor Values in the Vitreous on Complications of Pars Plana Vitrectomy in Proliferative Diabetic Retinopathy" in August 2018 at the Faculty of Medicine, University of Banja Luka.
- • He passed the specialist exam in Ophthalmology in July 2002.
- • Received the honorary title of primarius in 2013.

Teaching and pedagogical work

a) Participation in teaching activities

By the decision of the Teaching and Scientific Council of the Faculty of Medicine, University of Sarajevo, elected to the position of associate in practice at the Department of Ophthalmology. He participates in teaching for students of the Faculty of Medicine, University of Sarajevo, and as an assistant professor is engaged in teaching for students of the Faculty of Pharmacy and Health, University of Travnik.

b) Mentoring

final theses of the second cycle of studies (mentor)

1. Đurović Rajka - "Examination of the correlation of macular degeneration and maculopathy in patients with diabetes" which was successfully defended at the Faculty of Pharmacy and Health, University of Travnik.
2. Banović Jelena - "Cataract" which was successfully defended at the Faculty of Pharmacy and Health, University of Travnik.

final theses of the first cycle of studies (mentor)

1. Slavica Bubanja - "Urgent and definitive treatment of eye injuries" which was successfully defended at the Faculty of Pharmacy and Health, University of Travnik.
2. Radmila Pravilović - "Treatment and care of surgical ophthalmological patients" which was successfully defended at the Faculty of Pharmacy and Health Care, University of Travnik.

candidates in specialization (mentor)

1. Aida Musić - 2013
2. Smailović Adel - 2013
3. Jovanović Nina - 2013
4. Gorčević Emir - 2014
5. Suljić Muhamed - 2014
6. Hadžifejzović Aida - 2018
7. Hašimbegović Selma - 2019
8. Kujundžić Emina - 2019
9. Sofić Drino Vernesa - 2021

candidate in post-specialty education (mentor)

10. Bujar Rizvanolli - 2017

Specijalističko usavršavanje-kontinuirana edukacija

2005	Prag	20-25.02.	Lecop Cataract Course.
2005	Debrecen	15.6-15.10.	Corneal transplantation and anterior segment surgery
2005	Ljubljana	17.11.	Diabetic Retinopathy course I
2006	Split	06-10./03.	Use of the lasers in ophthalmology
